Going into the Library

The name of the Librarian is
Orla.

She likes to help me

When I get to the library I can go to the desk and talk to Orla.

She will help me to fill out a form to join the library.

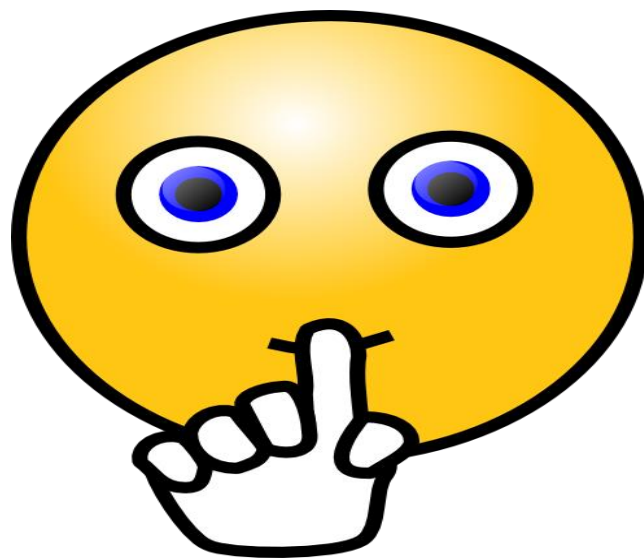

I will get a library card which allows me to borrow books

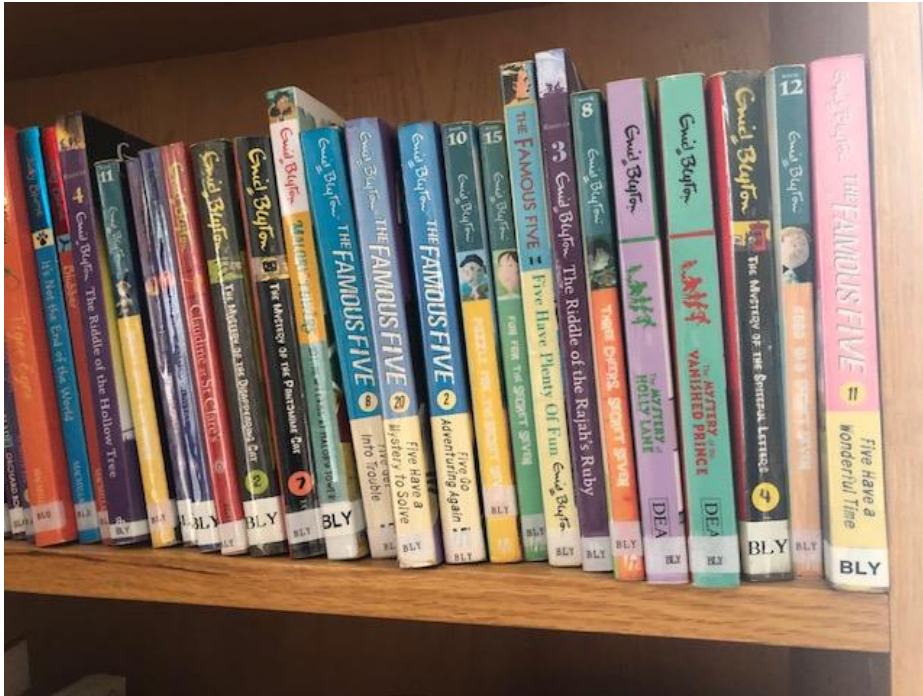

My Library has books for all ages.

I speak in my quiet voice in the library

I can borrow books

I can ask the librarian for the sensory toys box.

Orla will check out my books on the computer

Orla will put a date on my books

I take the books home

I can take some books home
for a few weeks.

Then, I bring them back to the library for
other people to have a turn reading the
books.

When I have finished I will leave the Library
through this door

Thank you for visiting Kilmihil Library
